

# UofU iPhone Group

Using iOS5 Storyboards for Rapid Prototyping

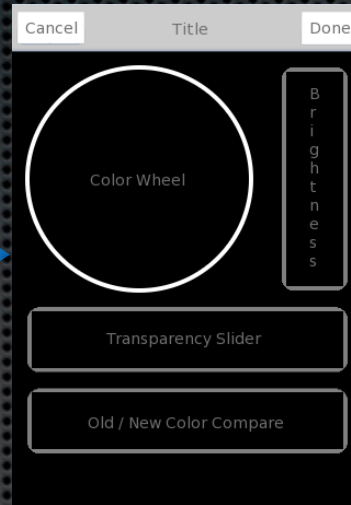

# Design & Coding Process

Idea

Refined Idea

Rough Prototype

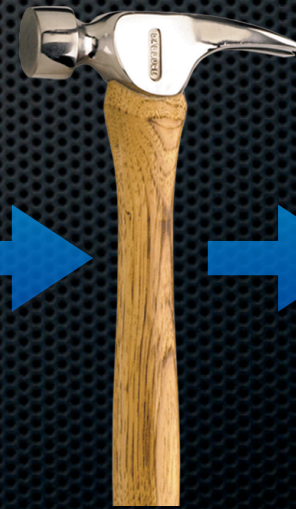

Full Prototype

```
#pragma mark -  
@implementation CSColorChooserSelectionView  
  
#pragma mark Constructors  
- (id) initWithFrame:(CGRect)frame  
{  
    self = [super initWithFrame:frame];  
    if (self == nil)  
        return nil;  
  
    [self calculateSelectionRect];  
  
    return self;  
}  
  
- (void) dealloc  
{  
    [_color release];  
    [_previousColor release];  
  
    [super dealloc];  
}
```

Implementation
